Job Description: Architectural Intern

Position Summary

Kohn Pederson Fox Associates (KPF) a global architecture practice headquartered in New York City, is seeking an Architectural Intern in New York to contribute to the development of the design solution.

You will be assigned to a project team and work under the supervision of the senior architects.

Primary Responsibilities:

- Contribute in a creative and constructive way to the development of the design solution
- Assist design team in design process by performing sketching and Revit drawings, model making, and other required tasks
- Prepare drawings and models for presentations
- Calculate area and volumes
- Contribute to team effort through spirit of cooperation with team leaders and peers
- Perform drawing and presentation work using Revit or other media as required within established time frames
- Strive to perfect drawings and sketching skills
- Research technical systems appropriate to project assignment
- Follow directions positively and thoroughly
- Ask questions to ensure that assigned tasks are mutually understood

Qualifications:

- Min. 3rd year Architecture Student
- Experience in Revit, AutoCAD, Rhino, Grasshopper, Enscape, Adobe Suite and MS Office

This position requires you to be in-person 5 days/week.

To apply, please submit PDF copies of your resume and portfolio to careers-ny@kpf.com.

Pay Range: \$25/hr
